## **BEST AVAILABLE IMAGES**

Defective images within this document are accurate representations of the original documents submitted by the applicant.

Defects in the images may include (but are not limited to):

- BLACK BORDERS
- TEXT CUT OFF AT TOP, BOTTOM OR SIDES
- FADED TEXT
- ILLEGIBLE TEXT
- SKEWED/SLANTED IMAGES
- COLORED PHOTOS
- BLACK OR VERY BLACK AND WHITE DARK PHOTOS
- GRAY SCALE DOCUMENTS

### IMAGES ARE BEST AVAILABLE COPY.

As rescanning documents will not correct images, please do not report the images to the Image Problem Mailbox.

PATENT

#### IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Application of: WANG et al.

Serial No.: 08/552,839

Group Art Unit: 1636

Filed: November 3, 1995

Examiner: D. Guzo

For: NOVEL ADENOVIRAL VECTORS, Atty Docket No.: 7639-044

PACKAGING CELL LINES,

RECOMBINANT ADENOVIRUSES.

AND METHODS

#### INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. §1.56 AND §1.97

Assistant Commissioner for Patents Washington, D.C. 20231

Sir:

In accordance with the continuing duty of disclosure imposed by 37 C.F.R. §1.56 and §1.97 to inform the Patent Office of all references coming to the attention of each individual associated with the filing or prosecution of the subject application which are or may be material to the patentability of any claim of the application, Attorneys for Applicants hereby direct the Examiner's attention to the references listed on the attached revised form PTO 1449 entitled "List of References Cited by Applicant.

The above-identified patent application is a continuation-in-part of U.S. Application No. 08/333,680 filed November 3, 1994. References AA to BM listed in the attache revised form PTO 1449 was made of record in the parent application. Thus, pursuant to 37 C.F.R. § 1.98(d), and so 35 supplying copies of the references cited in the revised form

CE 10 1990 0

PTO 1449 at this time. However, if the Examiner would prefer, copies of the identified references will be made available upon request. A copy of the reference listed as BN is submitted with this statement.

Identification of the listed reference is not to be construed an admission of Applicants or Attorneys for Applicants that such references are available as prior art against the application. Consequently, Applicants respectfully decline to use PTO-1449, since this form identifies all of the references cited therein as "Prior Art". As an alternative, Applicants submit herewith a "revised form PTO 1449" entitled "List of References Cited" instead of "List of Prior Art Cited".

Pursuant to 37 C.F.R. §1.97(c), it is estimated that a fee of \$240.00 is due. Please charge the required fee to Pennie & Edmonds LLP Deposit Account 16-1150.

Applicants respectfully request that the Examiner review the foregoing references and that the references be made in the file history of the application.

Respectfully submitted,

Date: December 10, 1998

Laura A. Coruzzi
